e-Series

Horizontal Fold Flat

- Continuous Loop Headstrap
- Colour Coded Nosebridge Clip
- Range tested to 'Dolomite Test (D)'
- Large Surface Area of Filter Media
- Approved to EN149:2001 + A1:2009

The e-Series is a horizontal style fold flat respirator with low breathing resistance, thanks to the large surface area of the filter. The e-Series offers excellent value for money.

e-3V - FFP3 NR D
