9000 Series

Classic Cup Style Shape

9000 SERIES

- Lightweight Cup Shape Respirator
- Range tested to 'Dolomite Test (D)'
- Traditional Metal Nose Clip Adjustment
- Approved to EN149:2001+A1:2009

The 9000 Series is a lightweight cup shape range of respirators that offers excellent value. A traditional range which incorporates a metal nose clip and individual headstraps. The 9000 Series benefits from a soft inner nose seal and a low profile valve.
